

Oxford Heights Community Club

Programming Information

Oxford Heights Community Club situated in Transcona, in Winnipeg, Manitoba Canada. Is a community club that provides programming for the surrounding community, including sports programs that a parent can register their children for from ages 3 to 18.

Programs include Soccer-Indoor & outdoor, Baseball, Softball, Hockey, Ringette, Basketball. There are other programs provided, like Taekwondo and Zumba that are coordinated through third party organizations – registration is through these organizations.

Registration for these programs occur in early March for the Spring/Summer Session and in August/September for the Fall/Winter programs. Oxford Heights collects the program registration fees for the various organizations at the time of registration, however, should your child opt out of the program prior to the start of the season, refunds are available. Please see our Refund Policy.

For more information about our programs, please contact Oxford Heights Community Club. You will find our contact information under the contact us tab on our website.
